We have been able to collect different school materials from peoples, friends, churches, organization and their staff.

We like thank all of you who made it possible for this year's school material support.

Two sponsors from Calgary, Canada - Tamru and Tigist - came to Ethiopia to visit our project and their sponsored children, Tigist Gulte and Dagmawie Tesfaye.

The sponsors from Calgary, Canada also visited a self-help program, seeing the materials and products which were being made and are able to be sold because of small business loans.
